PAIGE TURN-ON

Dear Mayfair,

My wife, Paige, is a very sweet, naive girl, who is just coming up to her 22nd birthday. I feel so lucky to have her, not least because she has a gorgeous face, pendulous breasts and a tiny waist. Despite her sexy looks she is very innocent and, because she was still a virgin on our wedding night, I know that everything she has learned about sex is entirely my doing.

Consummating our marriage was the best sex I had ever had, mainly because of the sweet way Paige gave herself over completely to pleasing me and enjoying her first time. I have honestly fucked more girls than I can remember, and some of them have been so hot that just thinking back on the romps gets me hard. But at no time since my first shag have I enjoyed sex with any girl, or felt so tender towards them, as I did the first night with Paige.

We spent our wedding night in the bridal suite at the hotel where the reception was held. It had been a tiring but wonderful day, but at last we were alone. I gazed at my new wife:

her pouting, full lips were painted a bright red, her deep brown eyes looking up at me apprehensively from beneath her thick lashes. I held her close and she ran her hands over my back, tentatively grabbing my buttock as I pressed my hard-on

trembled slightly as she lay back on the bed, naked except for her sheer hold-up stockings. I'd wanted to see her in all her glory so I kept all the lights on.

I felt my balls tighten and my cock throb in response to her vulnerability, and my

THE JAYNE ATTRACTION

Dear Mayfair,

As a seasoned admirer of the female form I'm in a good position to say that Jayne (50.08) is a perfect '10'! As you say yourselves, Jayne is indeed gorgeous and a stunner, to put it mildly! I hope and pray she's having a fulfilling and enjoyable sex life because surely God put her on this Earth to drive men crazy!

A beautiful face with a winning smile, luscious long dark hair, feminine lingerie with matching black stockings... and a wonderful pair of breasts with pronounced (and clearly nice and sensitive) nipples – Jayne is absolutely wonderful in every way!

On page 9 we find outstanding evidence that Jayne is perhaps the leading candidate for 'Rear of the Year', showing off her wonderful behind to full effect!

And then finally we're treated to the *pièce de résistance* – the full frontal shot of her on page 13. Who in his or her right mind could possibly describe a lady's pussy, whether shaven or otherwise, as 'obscene'?!

Thank you Mayfair for gracing your pages with the charms of Jayne, and an even bigger 'Thank you' to Jayne for delighting us readers! Kevin, Lincs.

“MY EYES ROAMED OVER HER DELICIOUS BODY, DRINKING HER BEAUTY IN”

against her. She looked up at me again and I kissed her, softly at first, but then exploring her mouth with my tongue.

She pulled away and, to my surprise, unzipped her wedding dress and let it fall to the floor to reveal her perfect physique, a small smile playing across her lips. She was anxious to please me. Her body

eyes roamed greedily over her delicious body, drinking her beauty in. She was so tense she covered herself as best she could with her hands. So I was gentle, lying beside her and softly kissing her on the cheek, while resting a hand on her stockinged-thigh. I was relieved when, smiling uncertainly, she guided my hand to

her succulent boob.

Her eyes closed, her glossy lips parting to invite an open-mouthed kiss, of which I obliged. She shivered with arousal as I gently thumbed her nips, her beautiful brown eyes dilating as I took them in my mouth and her fingers moved timidly towards my cock.

HER PUSSY BEGAN TO SPASM AS MY COCK PRESSED AGAINST HER VIRGIN BARRIER...

Her touch was electric, but in spite of the fact that I wanted to screw her senseless, I reigned in these feelings, keen for her to enjoy every moment. Slowly and deliberately, I tantalised her body until her apprehension completely dissipated and her body writhed and bucked with desire. I nibbled and kissed my way down from her nipples to her belly to her moist mound.

She raised her head to watch me as I dipped between her legs, and when I licked and kissed the insides of her thigh, nosing my way up towards her slit, she spasmed as though she'd received a shock.

Paige kept her big, unblinking eyes on me as I nibbled and sucked on her juicy labia, but when I reached her clit, her head fell back on the pillows and she groaned in grateful pleasure. Her obvious arousal thrilled me, and, for the first time since I'd started having sex years ago, I acted totally selflessly and concentrated solely on my new wife's pleasure.

In fact, Paige was becoming frenzied with excitement, pinning my face harder against her pussy and grinding against my mouth. Spreading her legs wider I sucked and licked her towards her first orgasm. Her pussy contracted hard as she twisted and thrust against me. Her virgin juices squirted inside as she climaxed uncontrollably, and it was some time before she sank back, spent and breathing hard.

When she had recovered, she lay on her side with a huge grin across her lovely face and stroked my chest. Blushing slightly, she whispered, "That felt so good, Glen. But do you think we could do it now, please?"

I laughed and nodded, my dick throbbing in agreement. I kissed her passionately, rolling on top of her and parting her legs with my knee. She wrapped them around me so my prick was pressed against her slit. As I massaged her boobs, her breathing became ragged and when I pinched her nips, she begged me to put it inside her, reaching down to guide my member between her swollen pussy lips.

Her wetness told me she was definitely ready, so I put my hand over hers and, pushing my helmet gently inside her warm snatch,

I held it steady to allow her time to adjust to the thickness. But she had other ideas and began rocking her hips upwards, trying to take me inside her properly.

I pushed slowly, feeling Paige's pussy muscles tighten and relax. As her hips moved, her pussy began to spasm and throb as my cock pressed against her virgin barrier. She let out a muffled whimper as her hymen broke and the initial pain made her stiffen momentarily before her hot tight wetness pulled me in.

I let her adjust to the feel of a dick inside her virgin pussy, then eventually I rocked, moving my tool back out an inch or so before pushing back inside her. Paige's eyes widened and she wrapped her shapely legs tight around my waist.

"Please fuck me hard," she pleaded. So I did, pumping her with long slow strokes, each causing her to groan louder.

When she came, her legs tightened around my back and I felt her cunt muscles rippling on my prick. She held on to me for dear life as her nails ravaged my back, breaking the skin. The second time I was more cautious and pinned her hands over her head and her feet drummed against the mattress, her pelvis ramming mine. The third time she was able to more savour the sensations rippling deliciously through her as we screwed lazily in spoons.

That really was the best night of fucking I've ever had, but I know our sex life will get better as Paige discovers more about

GREEN GREEN ASS COMES HOME!

Dear *Mayfair*,

The cover of your latest issue (50.08) served to confirm a thought which had started to materialise a while ago now – namely that we hadn't seen a new pictorial set of Emma Green for too long!

Had Emma retired or fled to the States, I'd wondered – or perhaps she'd settled down to a life of children, mortgages and washing up? No, thankfully not!

There's little doubt that her comment, "There certainly seems to be a lot of guys who like looking at my boobs," must be pretty accurate. However, I have to say that my own preference is for what our French friends would call her *derriere magnifique* (*Why is everyone speaking French this month?* – Ed.) – not forgetting her wonderful face and glorious head of hair, of course!

Oh well, to each his own. In a nutshell it's great news that Emma has resurfaced, and hopefully we'll be seeing more of her in the near future!

Peter, Beds.

her sexuality – and I can't wait!

Glen, Blackburn.

Blimey – how come she waited till she was married? Still, better late than never! – Ed.

OK, so it's not quite your classic *Mayfair* look with stockings and suspenders, but there's definitely something to be said for a long pair of socks - especially if they're being filled by the lower quarter of a girl as scrummy as Bexie Williams!

"Do you think so? I wasn't entirely convinced when I was getting ready for this shoot, but they're beginning to grow on me. I just can't get over the feeling I ought to put on some stout walking boots and head off for a hike!"

Hmm, well given the rest of your outfit (or rather lack of it!) we're not sure that's a good idea. You're much better off here with us, where we can keep you all to ourselves! "Now you can take a hike!"

Hang on a sec – have I not this very morning just typed in a letter from a reader who was craving a bit of, er, ginger down below? Well blow me down if we hadn't inadvertently lined some up for him, courtesy of Midlands-based newbie Jessica Rose here!

"Yes, it's funny, but there are plenty of guys out there who go crazy for a girl with ginger pubes! I'm not sure what it is, but I'm certainly not complaining. I've known a couple of guys who insist they taste better, which sounds a bit far-fetched to me – but if it means they're eating me out for longer, then everyone's a winner, aren't they?"

We guess so. Er, perhaps we could have a little taste then, just to see...?

when her husband tries to explain.

"Darling, this isn't my fault. I found this poor, hungry girl thumbing a lift, so I brought her home and gave her some of that shepherd's pie in the fridge that you'd forgotten about. Then I noticed the shoes on her feet had worn through, so I gave her that pair I bought you, the ones you've hardly

was drenched, so I gave her the one you kept saying you were going to throw out." The wife is puzzled and angry.

"And what the fuck does this have to do with shagging her?"

"Well, she asked if there was anything else my wife didn't use any more..."

Dave owned a small business and employed two good workers, Jack and Jenny. But the business wasn't doing well and Dave knew he would have to lay one of them off. Dave decided that the only fair way to decide who would go was to watch them work and lay off the first one to take a break.

Dave watched through the window when Jenny suddenly got a terrible headache and headed out to the water cooler to take an aspirin. Dave went up to her and steeled himself to deliver the bad news. "Jenny, I have to lay you or Jack off..." he started.

"Can't you jack off?" she answered. "I've got a fucking awful headache right now."

A woman is sitting in bed one night when she turns to her husband and announces that she's going to have plastic surgery and get her tits enlarged. "But you really don't need surgery to do that," says her husband.

"Oh yeah? How's that, then?" says his sceptical wife.

"All you have to do is rub some toilet paper between them," he replies.

"Oh yeah. And how exactly is that going to make them bigger?" says his missus, sarcastically.

"I don't know," he replies. "But it's certainly fucking worked for your arse."

A bloke goes over to his workmate's house and asks if Ian's home.

"Your boobs are unbelievable," he blurts out. "I'll give you a hundred quid if you show me one of them." The wife is a bit taken aback, but could certainly use the hundred quid. So she whips one out. A hundred quid is handed over.

A couple of minutes pass and Jim's obsessing on how great those tits are. "I'll

Jim then says he can't wait any longer for Ian and leaves. A couple of minutes later Ian is back. "Jim was here," says the wife. "You only just missed him."

"I don't suppose he dropped off that two hundred quid he owes me, didn't he?" says Ian.

Hurrah! It's time to introduce another *Mayfair* newbie, in the possibly familiar shape of Daisy Muller, a model who made her name on the middle shelves before making this, her long anticipated (by us!) top shelf debut! Fans of *Love Island* will also doubtless remember her from the 2015 series, where she wowed viewers with her delicious bod and (at the time) striking blue hair-do. She's gone *au naturel* now, as you can plainly see!

It's been a bit over two years now since Yorkshire lass Amy Green made her first ever appearance in *Mayfair*, and while we've all grown up a wee bit since then, Amy's really come on in leaps and bounds...

"Ah, I guess I have! Apart from anything else, I've been working a bit on things from the other side of the camera. I mean I love posing and stuff, but the technical and artistic side of photography really gets my creative juices flowing as well. Hey, maybe next time I should take some photos of you guys!"

Ahem, we're not sure our readers would be too keen on that, Amy!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend Mitch and I are pretty adventurous in bed. From the first night we met, we've always enjoyed watching ourselves fuck - in mirrors at first (I was still living in a flatshare when I pulled him and I had a big mirror opposite my double bed), but we soon started filming ourselves to watch back

apart from half a tube of cherry-flavoured lipgloss.

We used the camera on Mitch's phone and he told me he'd make sure he only got the best angles. At first I just wanked his shaft, slow and easy, making sure he was good and hard before I started licking at his helmet, parting my lips wide to make sure they didn't brush it yet.

Then, without giving him

any warning, I took his entire length into my mouth. My lips skimmed down his shaft, streaking it with sticky, shiny gloss. I teased him as I licked off every little smear of the stuff, then I rubbed his tip all over my mouth, like I was putting on lipstick, so I could enjoy the fruity flavour as I sucked on his helmet, looking up at both him and the camera through my eyelashes.

When we watched the footage back later, I realised how sexy I looked as I blew him, my lips all pouty around his prick and my cheeks sucked in.

Of course, the horniest thing of all was when he came.

I opened my mouth up wide, so he could see the first jet spurt all over my tongue. He jizzed so hard it actually hit the back of my throat when he emptied his balls in creamy waves - and so much that it started running down my chin. I just couldn't stop staring at myself on the screen - I'd felt it so many times, but actually seeing it was something

else altogether...

We left the phone where it was, so we could film ourselves screw too. I don't know what was more of a turn-on - actually being fucked at the time, or later seeing my boobs jiggle about and my arse thrust high in the air as Mitch banged in from behind, then sitting on him and reaching down to spread my labia with my fingers, giving the camera lens a clear view of him sliding in down to his ball sac, then slipping out again, all glistening and dripping with my juices.

It turned us both on to see ourselves in action on his phone, but one night Mitch surprised me by taking the whole filming thing a step further.

When I returned home from work one Friday evening, I opened the front door of our flat to find him filming me with a proper camcorder he'd borrowed from a mate of his. He informed me that I was going to be his little gonzo star for the night - not that I knew what the fuck the word meant till he told me - and I'd hardly walked inside before he got me to strip off my clothes.

He filmed everything that night - and I mean everything - only stopping to change the battery pack. The only thing he couldn't

I STARTED LICKING AT HIS HELMET, PARTING MY LIPS WIDE TO MAKE SURE THEY DIDN'T BRUSH IT

do was film me sucking his cock in the shower, but he kept the camera dry by watching me pump my own pussy with a big dildo, after I'd soaped myself up.

By far the horniest bit of footage of that whole night was when he filmed himself fucking me up the arse. We've always loved talking really filthy, and his running commentary was such a turn-on. I've always loved the anticipation of being screwed from behind - never knowing exactly when his cock will touch my backside or pussy. But having him tell me just before he did something sent a big buzz through me - especially as he was playing a sort of role, acting like this was just a job but that his hard-on was getting the better of him. Even when we'd use the mirror, I'd obviously never seen myself getting shagged anally in close-up before, so viewing it later on was incredible.

I've got quite a sexy little bum, and seeing my

cheeks all splayed and peachy as Mitch caressed them with his free hand, well, it wasn't any wonder he was rock hard! I'd get a quick glimpse of his prick as it bobbed into view, and then he focused on it as he started to wank it against my crack.

He used his helmet to scoop up juices and rub them into my puckered hole, but then he squeezed a big blob of lotion on it too,

later. It's the biggest turn-on ever, seeing my man shagging me - and the pleasure all over my face.

The first time we ever filmed ourselves, I was a bit nervous about not looking too awful, so I spent ages putting my hair up in two French plaits with cute little sparkly slides, and doing really natural make-up

to make it really slippery. I felt his fingers disappear right down to the knuckle, teasing and opening me up, and when he positioned his prick at my arse opening, it was like I was actually feeling it all over again. I know I let out a little moan as he pushed in gently but firmly, his whole shaft suddenly slipping in as his helmet penetrated my hole.

He fucked me slowly, stirring the lotion and juices into a creamy froth. Soon I was opened up enough that he was able to pull all the way out for a couple of seconds then plunge straight back in again, down to the hilt. And, when I moaned that I was coming, he pulled my cheeks further apart and began plunging deep inside my anus. Then the second he felt the first pulse of orgasm hitting me, he pulled out so he could film my anal muscles rippling as I climaxed.

After that, he didn't mess around – he fucked me as hard and fast as I could take, until he was on the point of coming, too. I love the feel of him losing his load up my bum, which he usually does, but this time he pulled out, laying his hot, wet length along my crack. He reached down to give his balls a rub, which emptied all the spunk out of them, and all over my bumhole. I was so glad he did, because when we watched it back later, that was my favourite bit of the whole footage!

Mitch has suggested that we upload some of the footage to a porn site, so we can get off on

other people enjoying our films. Or we might even get someone else in to film us – maybe a like-minded couple that can add even more to the fun. I know Mitch would love to see me fuck another bloke and definitely another woman. I'll keep your readers posted!

“THE HORNIEST THING OF ALL WAS WHEN HE CAME. I OPENED MY MOUTH UP WIDE SO HE COULD SEE THE JET SPURT OVER MY TONGUE.”

Generally speaking I don't sleep with guy on a first date. Especially when I'm pretty sure that there isn't going to be a second date. I'd been so looking forward to dating Martin – he seemed perfect and he knew what he should do with a girl on a date; he'd wined and dined me; made me feel special and even managed to hint at a romantic streak but there'd been something missing. There was no spark, no sexual chemistry and we were both trying to hide the disappointment at the end of the night as he did the gentlemanly thing and walked me home.

“So, do you have another date lined-up? With someone else, I mean?” he asked, after we'd been walking in sober silence for a few minutes. The question caught me off guard.

“I wish,” I snorted, then realised how that must have sounded. “I'm not like that – a serial dater.” I was flustered but as the silence descended once again, I took a moment to gather my thoughts. “I had hoped that this might lead somewhere.”

“Me too,” he said, with a note of regret. The silence returned again. “I had hoped that I'd at least get to lick your pussy.”

Gobsmacked, I let out a gasp of indignation.

“I beg your pardon?” I said, fully aware that I sounded like a maidenly aunt.

Martin shrugged and gave me a lopsided grin before he continued. “I'd like to lick your pussy – you know: oral sex. Make you come.” I laughed at him; at the shockingly casual manner of his revelation.

“I bet you would.”

“Obviously, it's not going to happen now – but I'm serious,” he said, ignoring my reaction. I stopped laughing when I saw the earnest look on his face.

“A girl needs advance warning before she lets a man down there.”

“How much warning?” he asked smoothly. I couldn't believe this was the same man I'd spent an uncomfortable, awkward night with.

“That depends on whether you mind it being a bit prickly.” I was

being deliberately flirtatious, knowing that I was giving him an insight into my most private place. He picked-up on it immediately.

"You shave your pussy?"

"Yes."

"Landing strip or triangle?"

"Totally bare."

"I love totally bare," he said, taking my hand in his and squeezing. His touch was electrifying. My head was swimming, even before he dragged me to a halt, using his free hand to tilt my chin before kissing me on the lips. I felt my body arch into his as

he pinned my hand behind my back and held me in place. Masterful, powerful – could he make this moment any better? He could: the first kiss was a gentle one on the lips, but he followed it up with something much more passionate.

"I've been wanting to do that all night," he whispered as he pulled back from me, his eyes still closed. We were locked together

for a long moment, as though our bodies had become magnetically charged. He was keeping me there but I didn't want to move anyway; I didn't try to get out of his grasp – there was nowhere I'd rather have been.

I'd just about regained my composure when he opened his eyes. They were still the same piercing green, but there was something new, something he'd been hiding from me – lust. "I want to fuck you."

lustful for more. Bubbling with excitement, I guided him to my home, trying to process what had happened in the previous minutes. How had we got from boredom to bedroom?

It's normally a nervous time when I get naked with a new man but it

was easy this time, knowing how much Martin wanted me. He was wearing the biggest grin imaginable as my clothes came away and he nuzzled into my neck as he pushed me down onto the bed. I was going to let him have me – on our first date. The thought made me feel slutty and wanton. "I love your perfume," he said, kissing the spot where I had sprayed my neck earlier in the evening. A giddy shiver filled my stomach as I saw my work clothes hanging on the back of my chair topped by my dirty knickers – I never imagined that

"I know."

"Will you let me?"

I'd never had a man talk to me like that before; be so open and honest about what he wanted. There had been no pretence at civility. He hadn't asked to 'come back to mine' or said the wanted to 'make love' to me or any of the other euphemisms used to mask a request for sex. He wanted to 'fuck' me, plain and simple. My mind filled with sweaty bodies rutting against each other. I wanted it too.

"Yes," I said, my voice sounding unexpectedly sultry. He kissed me again, only this time like a lover, and as his tongue touched off mine it caused teasing shocks of pleasure in my pussy. He'd made me extremely horny and

there.

"You're trembling," he said. I hadn't noticed but he was right - I'd lost control of my body. "I love being inside you." It was as though he'd whispered the words straight into my body. It arched for him as I groaned. Oh God, it felt so good. But why was he holding still? It'd feel so much better if he'd just slide that big, hard cock in and out of me. If he'd just fuck me as he'd told me he would. But he just stayed there, motionless, holding me in place. Then I got it - it was like the kiss - he was controlling me. Two could play that game:

I looked into his eyes and clenched my pussy muscles, taking a tight grip of his cock.

"Please don't do that," he said, with a strained look on his face. "I'm a big fan of coming, but if I do it now I think we'd both be disappointed."

"You're not teasing me?" Martin seemed stunned by my question and then started laughing. I've never had a man laugh when his cock has been inside me before.

"Teasing you? Is that what you thought I was doing? My cock was so amazed to be

allowed inside you that it was eager to pop its load instantly before you realised your mistake."

"Do it," I said, without thinking about what I was saying. Something primal had taken control of me.

"Do what?"

"Come inside me," I said, pushing my crotch back and forth, sliding my pussy over his cock; such tiny movements but so rewarding... for both of us.

"I'm gonna..." I felt his cock jump inside me and his body stiffened as he gave a strangled cry. He was pumping his spunk into my vagina and I instantly dropped my fingers down onto my clitoris and rubbed frantically. The pressure and speed combined with the naughtiness of masturbating in front of my new lover quickly took me to as violent a climax as

"I LOOKED DOWN MY NAKED BODY AND SAW MARTIN'S COCK JUST AN INCH AWAY FROM MY PRICKLY PUSSY."

I could remember. The rush of ecstasy burned me and cleansed me and left me trembling again - this time with satisfaction.

He rolled onto the bed beside me. There were no words but neither of us were able to wipe the grin off our faces and we lay until our body heat began to cool, and we had to climb under the covers to keep warm. I shivered as I thought about how close I'd come to letting him go. As first dates go, this one was definitely a winner.

I might have company tonight. Company; Martin's lips worked over to mine and a delicious warmth filled me from deep within my core as he kissed me again; it spread into my limbs and my chest and into my pussy.

My heart thumped with excitement as I looked down my naked body and saw Martin's cock just an inch away from my prickly pussy. He was so calm, so assured as he dropped his cock down and into me. My fingers gripped his flanks, pulling him down, urging him deeper. I spread my thighs and lifted my hips with an urgency that hadn't been there until that very instant. "Fuck me. Please," I begged. He ignored me, sliding his cock into my depths and holding it

We've gone 6 whole issues since we last featured the spectacular Holly Gibbons, which is quite long enough, thank you very much. Goodness knows how much can change in that length of time – although by the look of things one thing that hasn't changed is just how stunning Holly herself is!

"It's true, plenty of things can change in 6 months – I've ditched my boyfriend, for starters, so I'm back on the market!"

That's the best news we've heard all year!

□□□□□□□□

We've had a hard spot for Essex cutie Chloe Toy ever since we first clocked her two or three years ago, and she really seems to be hitting her straps as a model now, don't you think? So what's she done, other than grow up a tad more?

"Oh, well I'm always looking to improve – trying out new poses and expressions. And outfits, of course! I've got a sugar daddy who loves me in this outfit, and I thought that if he does, your readers probably would as well!"

Well from where we're sitting, that strikes us as a pretty safe bet!

Apparently Jasmine likes to while away the odd hour with a pole solely for her own amusement...

"Yeah, I've got a little gym in a room in the garden, and I love going out there and mucking about on the pole. Some people like running or swimming, but I just like working on my core strength with the pole. And besides, it always gets me super horny, so whoever I hook up with that night certainly reaps the benefits!"

Well lucky old them, eh? And do you head back out to the pole with them?

"Not when I've got a better pole to climb on I don't!"

If you're one of those *Mayfair* readers who likes to keep an alphabetical record of all your favourite models and which issue they've appeared in (there are some out there you know!) then we can only apologise! The babe we've formerly called Cara de la Hoyde is now Kara, so you're going to have to reshuffle all your archives to take account of the new spelling. So what's the deal, Kara?!

"I've always wavered between the two spellings," she told us as she was getting ready for this shoot, "and in the end I decided to pick one and stick to it – and I went for the K because it stands for 'Kinky', which is something I definitely am!"

Hmm, OK – Kinky Kara it is then! So would you care to elaborate on any of these kinks you've got?

"I don't know – I think I'd like to keep those up my sleeve for the lucky few..."

Very lucky, we wouldn't wonder!

Monika

PHOTOGRAPHED BY
JACK HARRISON

So many of our readers worship you, Monika. What do you think of all the fan mail?

It's nice to know I have fans and I like reading all the letters people send. It's weird to think of all these people writing who I've never even met. I would write back but I rarely have the time these days.

It's that tattoo of yours that excites people. Are you planning on getting any more?

Not after the problems it caused last time! My mum was really angry with me, she really didn't like it. Still, everyone else seems to – especially men! Why, do you think I should get some more?

How about 'Mum' on
your shoulder?

*To apologise you mean?
[Laughs] No, she wouldn't
be impressed I don't think.*

Well, if you have any
more done let us know.

*I might get one on my
belly, I'm not sure. You've
got me thinking now!* 

Classic

Look, we've been to Bath a couple of times, and while it's a lovely place, the girls that hail from there don't quite have the look of Monika here about them. Still, perhaps she was there for a while, working in tourism – stranger things have happened, I guess, although off the top of my head I can't think of anything...

MAYFAIR

Vol.54 No.07

On Sale June 26th

I don't know about you, but I'm nowhere near prepared to admit that 2019's over half way through, now. It's like this year has been playing on double speed or something and now we're all of a sudden lurching towards 2020 at a headlong gallop! Maybe the problem is time just seems to fly by when your surrounded by such beauty, although from what I hear from friends my age, I'm not the only one feeling it. Still, given that 2019's going to be over before we've got used to it, you might as well spend it in the company of beauties like Dannii Harwood and Kiki, don't you think?
